

EAST AYRSHIRE CHILD PROTECTION COMMITTEE: 26 AUGUST 2009

CHILD PROTECTION CHAIRS MEETING OF 9 JUNE 2009

1. PURPOSE

- 1.1 To advise the Child Protection Committee of the work that is taking place on an Ayrshire wide basis in order to increase capacity through working together across the Three Ayrshire Child Protection Committees. In carrying out discreet pieces of work on an Ayrshire wide basis this will assist in reducing duplication, making more efficient use of our capacity and provide the potential for shared learning. Attached (Appendix 1) is a copy of the first note of action of the Ayrshire Wide Child Protection Committee Chairs Meeting convened by the HealthCare Manager who attends all three CPCs in Ayrshire, this outlines the actions that we propose to take on an Ayrshire wide basis.

2. RECOMMENDATIONS

- 2.1 The Child Protection Committee is asked to
- (i) consider the work that is being undertaken on an Ayrshire wide basis and
 - (ii) to give their support to this.
