Dear Ms Ritchie

At our recent Child Protection Committee Development Day the membership of the Child Protection Committee was reviewed. As recently appointed Chair, I have been asked by the Committee to contact people who have not attended for some time to enable confirmation of their membership. I note that you have not attended since November 2008 and would be grateful if you could advise if you are in a position to continue or if you wish to withdraw from the Committee.

I look forward to hearing from you, and please do not hesitate to contact me if you wish to discuss this further.

Yours sincerely
