Reason for recommendation

This money will assist in paying for the running costs incurred for electricity, water costs and insurance for the club house. I have supported the application for 50% of the amount requested and would expect the club to generate the remainder throughout the year.

The amount recommended has been further reduced by 9% as this is the proportion of members residing outwith East Ayrshire.

8 **If there are any revenue implications how will they be met in future years?**

Continuous fundraising will be carried out throughout the year to generate income. Also, promotion of the club and attracting new members to increase income through membership costs.

9 **Does the project represent value for money?** **Yes** **No**

10 **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
