Reason for recommendation

I would recommend that this Club are awarded the full amount of £696.00. Over the past month and a half I have been working with the Club to establish a constitution and committee for the Club. This has now been achieved and I believe the Club have worked hard and some members have now shown commitment to be part of a committee. The Club is mainly made up of senior citizens and they have worked extremely hard to prepare for this application. The Club would benefit a great deal from this grant as it would enable them to pay hall letting fees of £15 per week. It would also enable them to enjoy a Christmas Dinner promoting social interaction within the Club. If the Club did not receive this grant they would struggle to continue as they could not afford the £15 per week as they only take a small fee per week from members.
