

APPENDIX 4	
TO	Initials

REF: LRB/07/0708/FL

15TH DEC 2010.

Dear Sir / MADAME,

I wish to make further comments

regarding the recent planning application of Mr A Duns-
muir and Mr R Watters for 2 x new bungalows near
Wellhill, New Cumnock.

(a) I wish to question the transparency of this
planning application. I have been reliably informed
that neither of the above named have any intention
of moving to this area and suspect that the
planning application was filed on behalf of Mr David
Mitchell who owns the land and has recently
gained planning for a chicken hatchery with temp
accommodation and workshop.

(b) I have to ask the question, who wants to build
a house less than 40m downhill and downwind
from a chicken establishment? I am 126m downhill
and downwind from this potential site and I am
not exactly bursting with excitement about it.
I consider it a health issue!

(c) There Are ALREADY 4 x Houses in This Area,
S if you include Mr Mitchell's LATEST PLANNING
Approval. I Believe Any ADDITION To This
Number would Turn A Rural Location into A
Village. Where Does it stop? Any more Dwellings
in The Area would BLEMISH The local Amenity
As They will NOT HAVE Any Agricultural / Rural
VALUE.

I AM WRITING THIS Letter in Support OF My ORIGINAL
OBJECTION. Thank you.

yours Sincerely

DAVID PATON.

P.S. Compliments OF The Season!!
