Reason for recommendation		
<p>I have advised the group to submit an additional application for Capital Grant Funding to the Early Education and Childcare Services department for £426.01 to cover the cost of the outdoor play equipment as we still have a balance remaining. An application form has been forwarded to them.</p> <p>The group provides an excellent service to the families within the community in partnership with East Ayrshire Council. The service is well managed and staff and committee members work in harmony to continually improve their facility and to meet all regulatory standards. The grant funding would enable them to further enhance their provision and to replace worn equipment in relation to the health and safety of all users.</p>
