Reason for recommendation
 This money will assist in paying for the equipment necessary for delivering the sport to the younger community. As well as this, it will be equipment that will last for years to come therefore benefiting future young bowlers. The amount recommended has been reduced as the second quote received is considerably lower (almost £1300) than the one the project costs are based on.
 A condition of grant is that the club confirm registration with Disclosure Scotland, CRBS or an umbrella body for child protection purposes and also that two written quotes from the equipment suppliers are provided prior to any monies being forwarded to the club.
