Recommended	
Reason for recommendation	
I have recommended this amount as the group will be taking on maintenance costs for these items and they have made a small contribution to the project.	
The group have been granted permission for this project by Community Learning & Development, however they will require to consult Asset Improvement with regard to the siting of the troughs and baskets.	
A condition of grant should be that two firm quotes for goods and services over £500 are received prior to any monies being forwarded to the group.

Future maintenance costs to be met by the fundraising and future grant application.
