6 **If latest balance (including other financial assets) exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**

Some of the money is for other projects such as the Lapraik Festival, also Garan house requires a substantial amount of work done on its roof and at this moment in time the costs are unclear, other than it will be considerable. Ongoing running costs of Garan house (as well as the roof) and other projects like the Dry Stane dyke and Signage etc. that require attention.
