Reason for recommendation

This has been a successfully run event over a number of years and allows a localised event to take place in the coalfield area. The amount recommended has been reduced as the amount required is less than indicated on the application form.

The final recommendation is for refusal since the group have received other funding for the Highland Games 2011 from East Ayrshire Council (see section 5, above), and bearing in mind the overall level of demand for grant funding for community grants from organisations within Wards 7 and 8 for the current year.
