Reason for recommendation			
To provide funding support for this worthwhile community project within the Woodroad Park in Cumnock.			
However, the "Final Recommendation" relative to this application is one of refusal since this Committee on 7 May 2009 agreed that the use of the balance of funds available for Community Grants for the current financial year for Wards 7 and 8 be restricted to applications from newly formed organisations or which are emergency in nature (an emergency application is defined as an application in respect of which the lack of a grant award would significantly prejudice the continuing existence of the organisation concerned), and this application satisfies neither of these criteria.
