Reason for recommendation	
I have recommended this application as the Christmas lights have been provided successfully for three years and provide a positive impact on the community. There are two vat breakdowns given as the group are happy to be invoiced before the end of the year, in order to received the lower vat rate as suggested by East Ayrshire Council, if they have received the grant money in time. If it is invoiced after the new year they will need the higher amount in order to pay the increased vat rate.
