3e **How many people are expected to attend?** 30

4 **How will the grant benefit the group/organisation**

The group will be provided with the opportunity to learn about local history and develop a Sense of pride in their own community.

5	Total cost of project	£400	6	Recommendation		
	Amount of grant requested	£200		Support	x	
	Bank Balance(s)	Date 20 th Feb		£1,139.03	Refuse	
	Where the group has more than one bank account all balances should be recorded				Defer	
	Cash in hand	Date End Feb			Amount Recommended	£100
	Name of other funding source				Reason for recommendation	
			This group is a very pro active group providing opportunities for community members to become involved in local historical issues. However, the group's bank balance is extremely healthy and although they are contributing towards the cost of the project and have ring fenced some of their balance towards the running costs of group and printing costs associated with the Catrine Chronicle it is generally felt that they could contribute more towards the total cost of the project activities as there would still be a considerable balance left in the account. The group should affiliate to the community coalfields transport service to minimise travel costs.			
Amount and date of grant			FINAL RECOMMENDATION - £100			

7 **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**
 This group has a healthy bank balance which is ring fenced for general running costs and the printing costs associated with the Catrine Chronicle.

8 **Does the project represent value for money?** **Yes** x **No**

9 **If there are any revenue implications how will they be met in future years?**

10 **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
