**7** **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**  
 The group has a surplus of £3,481 in their bank account. This should enable them to bear the brunt of the costs for this project. Consequently it is recommended that only a proportion of the grant applied for should be given.

**8** **Does the project represent value for money?** Yes  No

**9** **If there are any revenue implications how will they be met in future years?**  
 No revenue implications

**10** **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
