CUMNOCK AREA LOCAL COMMITTEE: 25 MAY 2006

EAST AYRSHIRE COMMUNITY PLANNING RESIDENTS' SURVEY AND RESIDENTS' PANEL

Report by the Depute Chief Executive/Executive Director of Corporate Support

1. PURPOSE OF REPORT

- 1.1 To present to Committee a summary of the findings of the 2005 East Ayrshire Community Planning Residents' Survey (Survey) for the Cumnock Area and provide a progress report in respect of the proposed Residents' Panel.

2. BACKGROUND

- 2.1 The Community Planning Core Partners' Group at its meeting of 3 November 2004, agreed to jointly carry out future community consultation and engagement exercises, where possible.
- 2.2 To avoid duplication of activity, Community Planning Partners agreed to:
- commission a Community Planning Residents' Survey (four-yearly), commencing 2005/06; and
 - establish a representative Residents' Panel and related Geographic Focus Groups (utilised routinely, minimum twice per annum);
 - establish an annual Consultation Plan, Screening Group and operating arrangements linked to Public Performance Reporting (PPRg) Arrangements; and
 - establish a Citizens' Forum/question time event (convened every two years).

3. RESIDENTS' SURVEY

- 3.1 The purpose of the Residents' Survey, which will be carried out four-yearly, is to gain an increased understanding of local priorities and views on public service provision/satisfaction, and establish baseline data to inform the Community Plan's Thematic Action Plans and the Regeneration Outcome Agreement.
- 3.2 Lowland Market Research was commissioned to undertake the Residents' Survey. Between August and October 2005, a face-to-face survey of a cross-section of 2,000 East Ayrshire residents was carried out. In addition, steps were taken to ensure that within the overall total, an appropriate percentage of potentially excluded residents, including young people and people with a disability, were surveyed.
- 3.3 A summary extract from the Survey findings, with particular relevance to the Cumnock Area, is attached at the Appendix to the report. A full copy of the Survey results is available on request.
- 3.4 Community Planning Partners propose to release the results of the Residents' Survey to members of the public in April 2006 as follows:

- through the publication of the Residents' Survey report on the Community Planning pages hosted on East Ayrshire Council's website;
- by making the final Residents' Survey report available through local offices and libraries;
- by forwarding hard copies of a summary of the Residents' Survey results to interested Residents' Survey interviewees, including Residents' Panel members;
- by distributing the Residents' Survey report to the North and Coalfield Communities Federations;
- presentations at Local Committees;
- through inclusion in Community Planning Partner newsletters; and
- through press releases in local newspapers, where appropriate.

3.5 Community Planning Partners are currently analysing the results which will inform future service delivery and development.

4. RESIDENTS' PANEL

4.1 The purpose of the Residents' Panel is to gain an increased understanding of residents' views and increase community consultation in relation to the planning and development of services.

4.2 In addition to undertaking the Residents' Survey, Lowland Market Research was commissioned to recruit a representative Resident Panel members. Currently, 612 Residents' Panel members have been recruited.

4.3 Community Planning Partners propose that each year, panel members will be invited to participate in two written surveys as a minimum and one/two thematic or geographic focus groups, to explore identified strategic issues. Community Planning Partners have agreed that during 2006, the main topic for presentation to the Resident's Panel will be the Community Planning review.

4.4 It has also been agreed that the Consultation Steering Group, which co-ordinated the commissioning and implementation of the Residents' Survey, will meet on a quarterly basis, with responsibility for planning and co-ordinating the programme of consultation with Panel members. The Community Planning and Partnership Unit (CPPU) will manage the Residents' Panel process, with day-to-day activity being co-ordinated by the Consultation and Engagement Co-ordinator.

5. POLICY IMPLICATIONS

5.1 Community Planning Partners have given a commitment to jointly carry out future community consultation and engagement exercises, where possible.

6. FINANCIAL AND LEGAL IMPLICATIONS
