DEVELOPMENT SERVICES COMMITTEE - 4 MAY 2004

STREET LIGHTING REPLACEMENT CAPITAL PROGRAMME 2004/5

Report by Executive Director of Development and Property Services

1. PURPOSE OF REPORT

1.1 The purpose of this report is:-

To seek committee approval for the street lighting replacement, capital programme for 2004/2005.

2. BACKGROUND

2.1 The proposed projects have been identified from planned maintenance inspections as being installations in greatest need of replacement due either to the physical condition of the lighting columns or the reliability of the electrical network. The Turnberry Drive/Treesbank Project has already been completed but was temporarily funded by Traffic monies to allow traffic calming works to take place in the area last year. This money is now being refunded to Traffic.

3. PROPOSED PROGRAMME

3.1 The proposed capital programme for 2003/2004 is :-

The Glebe Area Phase 3, retention monies and column removals	£3K
Balgray Avenue, Kilmarnock, retention monies and column removals	£7K
A70 Muirkirk Phase 2, replacement of deteriorated columns	£22.5K
West Langland Street, Kilmarnock, retention monies	£0.5K
Main Street Fenwick, replacement of deteriorated columns	£50K
Kirkland Road, Darvel, replacement of deteriorated columns	£40K
Henrietta Street, Galston	£40K
Turnberry Drive/Treesbank Kilmarnock, repayment of Traffic monies	£60.5K
Carnshalloch Avenue Patna Unreliable electrical service/deteriorated Columns	£26.5K
Total	£250K

4. FINANCIAL IMPLICATIONS

4.1 All projects can be funded from the current capital allocation for street lighting improvements.

5. RECOMMENDATIONS

5.1 The committee is requested to approve the proposed lighting capital replacement programme for 2004/2005
