DOON VALLEY LOCAL COMMITTEE: 24 JANUARY 2006

SHOPMOBILITY UPDATE

Joint report by the Depute Chief Executive/Executive Director of Corporate Support and Executive Director of Development and Property Services

1. INTRODUCTION

- 1.1 To advise Committee of the Council's intention to establish a Shopmobility Scheme in Kilmarnock Town Centre.

2. BACKGROUND

- 2.1 The establishment of a Shopmobility Scheme in Kilmarnock Town Centre was identified as a priority for 2004 within the Community Plan's Eliminating Poverty Thematic Action Plan 2003-2007.
- 2.2 To progress this, a community-based working group was established in 2003 and funding bids were submitted to a range of external sources.
- 2.3 The submitted bids were unsuccessful and as a result of this, the project was not progressed at that time and the working group folded. The commitment to establish a Shopmobility Scheme remained a priority for Elected Members and at the request of the Chair of Social Inclusion, a short-term Officers' Working Group, chaired by the Depute Chief Executive/Executive Director of Corporate Support, was established in early 2005 to drive forward this initiative. The Group comprised Officers from the Departments of Development and Property Services (Architects, Roads & Transportation, and Working for Families), Educational and Social Services (Social Work) and Corporate Support (Community Planning & Partnership Unit).

3. UPDATE

3.3 Part-year revenue costs for 2005/06 are estimated at £18,000, giving an overall financial requirement for 2005/06 of £63,500 (capital and revenue).

3.4 The Council agreed that capital and revenue costs be met as follows:

- Capital costs to be met from uncommitted contingency within the Council's 2005/06 Capital Programme;
- Part-year revenue costs in 2005/06 and 2006/07 to be met from Council's revenue balances;
- Ongoing revenue costs from 2007/08 onwards to be met from the Department of Development and Property Services' revenue budget.

3.5 The above financial package will provide the project with a solid platform in order to develop over future years.

3.6 The Department of Development and Property Services will assume lead responsibility for establishing the Shopmobility Scheme within Kilmarnock Town Centre.

3.7 Once established the opportunity to expand the Scheme to Cumnock Town Centre will be explored.
