- 2.1 The following report relates to service costs and income directly controlled by the department and excludes rechargable costs for central services charges and debt charges.

2.3 Budget Performance to Period 6

Actual expenditure to date amounts to £15,345 and represents 12.3% of the estimated expenditure for the year. Year-to-date variances have been analysed and are mainly attributable to timing of expenditure and receipt of income in advance of expenditure. Such timing variances should level out over the year, but if this is not the case, reasons for the anticipated variances are highlighted in section 3 of this report.
