			The Club is a long established Club and is open to anyone within East Ayrshire.			
Amount and date of grant			They have not been awarded the full amount requested as the Club should utilise some of their own funds to help with the hire of facilities.			
			I would recommend that they continue to fund raise as a team – current fund raising includes all age group teams with money being split between them all.			

7 **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**
 The money in the bank will be used to maintain running costs of the teams (to help pay for training equipment, footballs, first aid, travel costs) and to keep going for another season.

8 **Does the project represent value for money?** **Yes** **No**

9 **If there are any revenue implications how will they be met in future years?**
 The Club as a whole carry out two fund raising events a year - Sportsmans Dinner and a Christmas Raffle. The money is then split between each team.

10 **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
