

EAST AYRSHIRE COUNCIL

KILMARNOCK CENTRAL LOCAL COMMITTEE – 15 MARCH 2005

LOCAL ISSUES

Report by the Depute Chief Executive/Executive Director of Corporate Support

1. PURPOSE OF REPORT

- 1.1 To provide updated information to the Committee on the Local issues raised and, where applicable, the timescale for reporting back to the Local Committee.

2. BACKGROUND

- 2.1 The Council has always intended that Community Representatives could raise issues for consideration by the Local Committee and the Guide to Local Committees makes reference to this. However, the inclusion of a specific local issues item was introduced in August 1999 to formalise the process and actively invite Community Representatives to raise local items.

3. LOCAL ISSUE PROGRAMME

- 3.1 The Appendix lists the Local Items which have been raised to date and a programme for reporting back to Committee on those issues not already implemented.

4. CONCLUSION

- 4.1 This practice allows Community Representatives to raise issues of particular local concerns and allows Community Representatives an opportunity to set Agenda items for future consideration by Local Committees.

5. FINANCIAL/LEGAL/POLICY IMPLICATIONS - Nil

6. RECOMMENDATIONS

- 6.1 To approve the submission proposals on the list of Local Committee issues as detailed within the Appendix to the report.
