Reason for recommendation	
77% of club members are from outwith East Ayrshire and the club meets outwith East Ayrshire.	
The grant application is for prizes for a dog show which is open to anyone throughout the country and is not aimed at East Ayrshire residents in particular.	
I feel that the award for a grant to buy £500 pounds worth of prizes in these circumstances would not represent value for money.	

7 If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?

Funds are to cover other costs of dog shows such as hiring of premises and printing of rosettes.

8 Does the project represent value for money? **Yes** **No X**

9 If there are any revenue implications how will they be met in future years?

N/A

10 Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)
