

EAST AYRSHIRE COUNCIL

KILMARNOCK CENTRAL LOCAL COMMITTEE – 31ST January 2006 SAFER STREETS STRATHCLYDE POLICE REPORT

Report by Superintendent Elizabeth Weir
Sub Divisional Officer
East Ayrshire

1. PURPOSE OF REPORT

- 1.1 To advise Local Committee Members of Crime Figures and Police activity within their area. Community Constables will continue to report to their respective Community Councils with more detailed information. This meeting will also provide an opportunity for members to provide feedback to Strathclyde Police on areas of concern and to have these concerns addressed.

2. CRIME TRENDS

- 2.1.1 The following crime statistics relate to the area of East Ayrshire Beat 35 Northwest Kilmarnock which relates to Onthank, Altonhill, Wardneuk, Longpark and Knockinlaw, also Beat 36 New Farm Loch and The Dean.

- 2.1.2 They cover the period from 1 April 2005 to 30 November 2005.

Beat 35 Northwest Kilmarnock

	Crimes of Violence	House breaking to homes	House breaking to garages and sheds	House breaking to Commercial premises, Schools etc.	Vehicle crime	Drugs Possession and Supply
April 2004- Nov 2004	170	64	17	27	150	85
April 2005- Nov 2005	160	61	27	20	120	120

Beat 36 New Farm Loch

	Crimes of Violence	House breaking to homes	House breaking to garages and sheds	House breaking to Commercial premises, Schools etc.	Vehicle crime	Drugs Possession and Supply
April 2004- Nov 2004	206	34	4	9	91	93
April 2005 – Nov 2005	107	17	9	12	56	99

2.1.1 Through high visibility policing and good work from various departments within the police there has been a 50% overall reduction in the number of crimes of violence. Housebreakings have also shown a decrease in domestic HB's whilst there is a slight increase in HB's to schools and commercial premises on beat 36 whilst beat 35 is showing a decrease. Vehicle related crime has shown a considerable decrease in both areas. Pro activity in tackling misuse of drugs has resulted in success detecting drug related crimes.

2.1.2 The detection rate for group 1 – 7 crimes (all crimes and offences) in the Kilmarnock North area is currently running at 62% average, which is an extremely favourable detection rate.

2.1.3 The Ayrshire Division Control Strategy for 2005 – 2006 focus' on Violent Crime, Acquisitive Crime, Vandalism and Anti Social behaviour. Efforts over the year will impact positively on the above figures.

3. OVERVIEW ON ANTI SOCIAL BEHAVIOUR

3.1.1 Disorder offences, defined by the Scottish Executive as Breach of the Peace, Urinating in Public, Drunk and Incapable and Consumption of Alcohol in a Public Place.

3.1.2 Disorder offences fell from 520 to 461 within the designated period. This decrease is largely due to an increased police presence within the Kilmarnock North area.

3.1.3 Vandalism has increased slightly from 473 to 482 within the designated period.

3.1.4 There are currently 2 Anti-Social Behaviour Orders in place within the North Area (New Farm Loch & Hurlford). Local officers work closely with partner

agencies including the Housing Department, Neighbourhood Disputes Team, SACRO mediation service as well as Atrium Homes to address local concerns at the earliest opportunity by the most effective means.

4 CHANGES TO POLICE SERVICE DELIVERY

- 4.1.1** At present Strathclyde Police is undergoing a major change programme that will significantly improve our service to the public. The following is a brief outline some of the projects and provides updated information in relation to the timescale. To enhance the service within East Ayrshire additional Community Police officers will be appointed and a mobile police office will replace the closure of certain police offices that are no longer required given the impact of the abovementioned improvements.
- 4.1.2 Airwave Radio:** Within Ayrshire the project will “go live” on or about 8th March 2006. This digital system provides enhanced coverage, clarity and security and is the foundation for further development within communications including telephony and mobile data. Every officer will be issued with a personal handset capable of contacting anyone on the extended police network in the UK. This will require increased security measures, which, cannot be done at the smaller offices.
- 4.1.3 Contact Centre:** The new Contact Centres will take all calls for Ayrshire from March 2006. This will mean that wherever a caller is, whatever number they dial the call will be diverted to a contact centre and will be answered quickly and professionally by trained and competent staff who will be able to deal with the calls efficiently. This will put an end to the current frustrations when trying to call an individual police office and receiving the message “you are being held in a queue and will be answered shortly”. As this will increase the workload the structures need to be in place to deal with this but it will also provide a more accurate picture of the problems and issues affecting the communities.
- 4.1.4 Area Control Room:** There is currently a police control room within East Ayrshire based at Kilmarnock. In March 2006 this will be replaced by an Area Control Room at Force Headquarters, Pitt Street, Glasgow. This will release staff locally for operational deployment and will provide a greater link to the Contact Centres.
- 4.1.5 Divisional Call Handling Unit:** This Unit has been operational at Ayr police office since September 2005 and takes calls from the public on police matters. This directly reduces the demand on busy officers and the public feedback from this Unit has been very positive.
- 4.1.6 Community Police Officers:** Community Police officers have been able to forge excellent local relationships with Councillors, Community Councils, Residents Associations and other. These officers deal with local issues in conjunction with other services and this is true partnership working in action.

All Community officers work closely with the wardens, anti-social behaviour investigative teams and others to provide long-term solutions to problems.

4.1.7 Mobile Police Office: A mobile police office has recently arrived in East Ayrshire. The Sub Divisional Officer, Superintendent Weir, has developed a schedule for the mobile office and parking places have been devised to meet the needs of the local communities.

4.1.8 Police Offices: Inspection reports have been received and recommend closure of some of the smaller offices. Many of these offices are in a poor state of repair. By closing smaller offices substantial revenue savings can be achieved which will then be directed towards further service improvements. The following police offices will close on 1st February 2006:

Muirkirk
Newmilns
Darvel
New Cumnock
Mauchline

The provision of the mobile office will be in place by this time and there will be no detrimental effect.

4.1.9 Conclusions: The changes and developments will lead to improvements in service delivery and provide East Ayrshire with a structure to face the challenges that lie ahead. Strathclyde Police is committed to tackling crime and criminals effectively in East Ayrshire and plays a leading role in making East Ayrshire safe. Updates will be provided to the local media to ensure they have accurate information and also the opportunity to report these changes.

5. LOCAL COMMUNITY IMPACT

5.1.1 Northwest Area

The focus of police attention has been on the Morven Avenue, Ardgour Road and Knockinlaw Road areas, where youths have been forcing entry to street lighting junction boxes enabling them to tamper with the street lights and switch them off. This problem persisted up until 19 December 2005 but ceased after this date due to targeted police patrols and extra security provided to the junction boxes. Problems again occurred on 1st, 2nd and 3rd January 2006 and since these dates the police have responded by providing police officers on foot patrol during peak times and this will continue whilst the problem remains an issue. These patrols also give attention to the nearby building site on Western Road, which has also been experiencing problems with local youths.

5.1.2 New Farm Loch

The main issue in New Farm Loch has been Mini Motorbikes, which are being used throughout the area in contravention Road Traffic Legislation. Several of the youths involved have been charged and 'Parent Alert Letters' have been sent to the parents of all youths involved advising them of the recommendations of where and when to use and the consequences should their children be found using otherwise. Press releases have been arranged giving advice on legal requirements.

6. RECOMMENDATIONS

6.1.1 It is recommended that the Committee: -

- i) identify any local problems which may be addressed by local officers;
and
- ii) otherwise note the content of this report.
