

grant assessment form

1	Purpose of the group	
	To co-ordinate angling clubs on the River Irvine system. To Bailiff the river all year 'round and monitor for pollution. To improve the environment. To seek funders for large scale projects for the river improvements and the environment.	
2	Purpose of the grant	
	The grant would be used to purchase a Laptop computer which has a DVD Writer and is compatible with equipment the group will be hiring from the Council of Voluntary Organisations East Ayrshire, to show reports and presentations. The group will consult with their IT Consultant prior to finally selecting and purchasing the Laptop unit. With this Laptop they hope to carryout their daily business and be able to show the "Habitat Survey 2003" and the "Electro Fishing report 2005" that they commissioned and received from the Ayrshire Rivers Trust biologist. These are to be shown to angling clubs and other interested parties who have mutual interests in the environment and possible funders.	
3a	How many people are on the group's Management Committee?	3
3b	What is the group's total membership?	482
3c	How many people in the group would benefit from the grant?	all
3d	How many people usually attend the group?	15-20
3e	How many people are expected to attend?	Various angling clubs
4	How will the grant develop the group/organisation or benefit the local community?	
	The benefit will be through education of anglers, public, ornithologists, local residents about the river and its environment, and therefore hopefully increase their care for this environment.
