	Where the group has more than one bank account all balances should be recorded				Defer	
	Cash in hand	Date	£		Amount Recommended	£1000
	Name of other funding source				Reason for recommendation	
	EAC				The project is worthwhile and provides opportunities for a large number of people to socially interact and participate in fun activities on the day. The group do have additional funds left in the bank after outstanding commitments and I feel that they could contribute a little more towards the total cost.

7 **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**
 The bank balance does exceed the total cost of the project but this is earmarked for other initiatives through fundraising events. The group could however contribute a bit more to the total cost of the project as outlined above.

8 **Does the project represent value for money?** Yes No

9 **If there are any revenue implications how will they be met in future years?**
 The group will continue to fundraise for future events although they may apply for funding support in the future.

10 **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
