NORTHERN AREA LOCAL COMMITTEE - 11 JANUARY 2007

ISSUES RAISED DURING THE 15 MINUTE QUESTION AND ANSWER SESSION

ISSUE RAISED	ACTION PROPOSED	CURRENT POSITION
1. Community Representative Fiona Andrew asked if additional dog fouling bins could be provided in Fenwick.	Notwithstanding the fact that litter bins could be used provided the contents were properly wrapped, it was agreed that the Administrative Officer write to the Executive Director of Neighbourhood Services requesting additional bins.	The Executive Director of Neighbourhood Services advised that the financial resources for servicing dog bins is fully committed and, therefore, no additional dog bins are being provided at this time. The request will be retained on file should the situation change. He also confirmed that litter bins can be used for properly aged dog waste as a means of safe and responsible disposal of such waste.
