<b>Reason for recommendation</b>		
This is a good project to regenerate a very untidy area which is seen and used by many members of the community and visitors to the River Ayr Way. It will improve the aesthetics of the area around the Institute Hall in Catrine, which is a prominent building in the community. These works fit well with the overall plan to regenerate Catrine and with the works undertaken previously at Catrine Voes, the War Memorial and the River Ayr Way.		
<b>Please note that this amount differs from the original application as an award was received from the Minerals Trust after the application was made. A letter was received on the 26<sup>th</sup> March explaining this.</b>
