

EAST AYRSHIRE COUNCIL

COUNCIL MEETING - 8 MARCH 2001

PARLIAMENT, SCOTTISH PARLIAMENT, LOCAL GOVERNMENT AND EUROPEAN ELECTIONS - ORGANISATION OF POLLING DISTRICTS AND POLLING PLACES

Report by Chief Executive

1. PURPOSE OF REPORT

- 1.1 To present for Council approval lists of Polling Districts and Polling Places in respect of the Parliamentary Constituencies of Kilmarnock and Loudoun and Carrick, Cumnock and Doon Valley (Part).

2. BACKGROUND

- 2.1 The Local Government etc (Scotland) Act 1994 made it a "duty of every Local Authority to divide their area into polling districts for the purpose of Parliamentary Elections for so much of any constituency as is situated in their area and to designate the polling places for those polling districts".
- 2.2 From time to time a review of polling districts and polling places is undertaken to ensure these remain adequate and appropriate. Within East Ayrshire we have ensured that all polling places and stations have disabled access and, wherever possible and consistent with the need to provide adequate numbers and locations of polling places, have attempted to avoid the use of school premises to minimise disruption. A further criterion has been the existence of adequate facilities within the premises for staff.
- 2.3 The most recent review has identified that one of the polling places in Kilmarnock has ceased to operate

3. REVIEW OF POLLING PLACES

- 3.1 Officers have carried out a review of polling places. During the review process the political groups and Members whose wards contain proposed changes were given the opportunity to comment on the proposals for polling places.
- 3.2 The appendix shows the polling districts and the related polling places for the Kilmarnock and Loudoun Parliamentary Constituency and the part of the Carrick, Cumnock and Doon Valley Parliamentary Constituency within East Ayrshire.

4. DISABLED ACCESS

- 4.1 The polling places suggested for approval all have suitable permanent or temporary access for disabled persons and consultations to confirm their suitability in this respect have been carried out with the Forum(s) on Disability.

5. LEGAL AUTHORITY

- 5.1** Section 18(3) of the Representation of the People Act 1983 as amended by Section 142(1) of the Local Government Etc (Scotland) Act 1994, provides the legal authority in respect of this exercise.

6. FINANCIAL/POLICY IMPLICATIONS

The proposed changes will have the effect of reducing the cost of operation of the polling places at elections. They provide for a net reduction of four polling places overall, with a reduction of 15 polling stations in the Kilmarnock and Loudoun Parliamentary Constituency and potential for a further 6 in the Carrick, Cumnock and Doon Valley Parliamentary Constituency. The net effect of this in financial terms would be a saving of approximately £5000.

7. RECOMMENDATION

- 7.1** To approve the lists of polling districts and polling places as detailed within the Appendix to this report for the purpose of the Parliamentary, Scottish Parliamentary, Local Government and European Elections in respect of the Parliamentary Constituencies for Kilmarnock and Loudoun and Carrick, Cumnock and Doon Valley (Part).
