

**CUMNOCK AREA LOCAL COMMITTEE - 13 JUNE 2002**

**QUESTIONS ARISING FROM 15 MINUTE QUESTION AND ANSWER SESSION**

<u><b>MATTER RAISED</b></u>	<u><b>RESPONSE/ACTION TO BE TAKEN</b></u>	<u><b>CURRENT POSITION</b></u>
<p>Community Representative Mr Jack Campbell enquired as to the possibility of all Community Councils within the Cumnock Area being invited to be represented at future Community Representatives Pre-Meetings for Local Committee meetings.</p>	<p>The Administrative Officer undertook to pursue this issue and to report back to the next meeting.</p>	<p>The position is that Community Representatives' Pre-Meetings are provided for the specific purpose of allowing Community Representatives and Substitutes to come together to discuss and consider amongst themselves issues relating to, or arising from the Agendas for the meetings of the Local Committee.</p> <p>Accordingly, it would not be appropriate for the representatives of all Community Councils within the Local Committee's area to be represented at the Pre-Meetings.</p> <p>Any issues which Community Councils have in relation to business to be dealt with by the Local Committee should be channelled through the two Community Representatives/Substitutes who sit on the Local Committee to represent Community Councils.</p>
