DEVELOPMENT SERVICES COMMITTEE: 11 APRIL 2000

PROPOSED TREE PRESERVATION ORDER 15 JAMIESON ROAD DARVEL

Report by Director of Development Services

1. PURPOSE OF REPORT

1.1 The Planning Department has recently identified trees at 15 Jamieson Road, Darvel as having potential for designation under a Tree Preservation Order and has therefore placed a provisional Tree Preservation Order on the trees. The purpose of this report is to ask the committee for authorisation to confirm the Tree Preservation Order.

2. BACKGROUND

2.1 In October 1999 the Planning Department was asked by the owner of the trees at 15 Jamieson Road, Darvel for advice regarding their maintenance and whether it would be possible for them to be placed under a Tree Preservation Order.

2.2 Following inspection of the trees it was decided because these mature trees were prominent features of Jamieson Road, Darvel enhancing its amenity, the sycamore trees also being important skyline features as seen from the south, that the trees should be accorded Tree Preservation Order status.

2.3 Accordingly, a provisional Tree Preservation Order was placed on the trees, this taking effect on 15 February 2000. Up to and including Friday 17 March 2000, the expiry date for objections to the above provisional Tree Preservation Order, no such objections had been received.

3. FINANCIAL AND LEGAL IMPLICATIONS

3.1 None.

4. RECOMMENDATIONS

4.1 **In view of the importance of the above trees to the local amenity and the fact that there have been no objections to the provisional Tree Preservation Order 15 Jamieson Road, Darvel it is recommended that the Committee agree that the Tree Preservation Order be confirmed.**
