QUESTION AND ANSWER SESSION

ISSUE RAISED	RESPONSE - ACTION REQUIRED	CURRENT POSITION
Community Representative Edward Torrance raised the issue of the grass verges at the entrance into Drongan which had never been reinstated following recent work.	Councillor Farrell explained that he had previously written to the Director of Development Services, but was still awaiting a reply regarding this issue. John Bryson, Area Engineer Roads, stated that the responsibility of reinstatement rests with Scottish Power and that the Department had issued notices requiring the reinstatement work to be done.	Ongoing discussion.
Named Substitute George McCaig stated that the guttering in houses of Rankinston had not been cleaned for several years.	Agreed to write to the Director of Homes and Technical Services on the matter and that a response be sent direct to Mr McCaig.	Work in hand
