How will the grant develop the group/organisation or benefit the local community?

The grant will advertise the new use of the building and bring it to the attention of the youth of the community as a new activity in which they can be involved. This will be vital in the early stages of the club opening. The club will be open to all ages (above 9 years) to become physically active as well as developing an interest in boxing. The club is hoping to introduce the local community to facilities such as a multi-gym, where people not interested in boxing still have the opportunity to become active. Furthermore, they are hoping to link up with local groups to allow access to the building out with club hours.
