

EAST AYRSHIRE COUNCIL

EDUCATION COMMITTEE – 6 FEBRUARY 2001

RESERVATION OF PLACES AT FENWICK PRIMARY SCHOOL AND STEWARTON ACADEMY

AMENDMENTS TO PLACING REQUEST LEGISLATION

Report by the Director of Educational and Social Services

1. PURPOSE OF THE REPORT

- 1.1 The purpose of this report is to advise Members of the Education Committee with regard to the reservation of places for pupils at Fenwick Primary School and Stewarton Academy in the academic year 2001/2002.

2. BACKGROUND

- 2.1 An amendment was made in 1996 to Section 28A of the Education (Scotland) Act 1980 which deals with the matter of Placing Requests. A report was presented to Committee in September 1996 advising of the changes to the legislation.
- 2.2 The amendment was designed to help ensure that the children of families moving to a new area can get into a local school. It enables education authorities, in circumstances where no alternative schooling is available within walking distance, to refuse placing requests for children who live outwith the catchment area. The purpose of this is to retain places for incomers to the catchment area. This legislation has been further amended by the Standard in Scotland School's etc Act 2000 allowing Councils to retain places in any school.
- 2.3 This amendment addresses the particular difficulties faced by pupils who would have to travel some distance to the nearest equivalent school if they could not secure a place at their catchment area school. The amendment leaves unaffected the rights of parents already resident within the catchment area to secure a place at the school.

3. PROPOSALS FOR CALCULATING THE NUMBER OF RESERVED PLACES

- 3.1 In considering the number of places to be held for pupils coming into the catchment area after placing requests have been processed it is important to achieve a balance which will not have a school with many empty places but will allow reasonable access to pupils moving into the area. The number of reserved places may alter year after year dependent on new housing and/or job opportunities in the area. It is proposed that the number of places to be reserved will be reviewed each year.
- 3.2 After considering the anticipated rolls for August 2001 and the available information about the number of pupils who have moved into the catchment areas it is recommended that 2 places be reserved for pupils at Fenwick Primary School and 5 places be reserved for S1 pupils at Stewarton

Academy for academic year 2001/2002. This proposal has been considered and agreed by the appropriate Head Teachers.

4. PROPOSAL

4.1 It is proposed to implement the proposals in conjunction with applications for placing requests which will be administered in March 2001.

5. FINANCIAL/POLICY/LEGAL IMPLICATIONS

5.1 Nil.

6. RECOMMENDATIONS

6.1 It is recommended that Members of the Education Committee:

- (i) note the implications of amendments to placing request legislation in respect of reserved places;
- (ii) agree that, in respect of Fenwick Primary School and Stewarton Academy places be reserved for P1 and S1 for the academic year 2001/2002 in order to accommodate pupils who move into the catchment area for that school;
- (iii) agree that the Director of Educational and Social Services monitor and review the situation regarding the reservation of places under the amended legislation; and
- (iv) otherwise note the contents of the report.

John Mulgrew
