| Community Representative Steve Brown enquired whether the new fence at the ski slope could be painted green.  | Councillor Wilson advised the meeting that he had established that there were no plans to paint the new fence as this would add to future maintenance. | Memo of information only to Director of Community Services.                                  |
| Councillor McDill outlined the problems which had been experienced following a recent flooding incident in Darvel. A similar incident in Newmilns also mentioned with similar problems encountered. | It was agreed that the Local Committee take this up with Roads, Community Services and the Police.   | Responses now received from Roads, Community Services and Police. Councillor McDill advised. |
