	Amount Recommended	£1,000
	Reason for recommendation	
	Only 16 residents of East Ayrshire will benefit from this grant. Therefore, a full award of £1300 would not represent value for money. At the same time, however, the club are currently working towards improving their premises at Bonnyton and all available finance is being channelled towards that project. For this reason the club are not in a position to contribute a great deal to the purchase of much needed strips. An award of £1000 is recommended.	

7 **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**

9 **If there are any revenue implications how will they be met in future years?**
