6	Recommendation	
	Support	YES
	Refuse	
	Defer	
	Amount Recommended	£ 750
	Reason for recommendation	
	The dinner/dance for elderly locals is becoming an annual social gathering, I feel that there is enough time and commitment from the locals to ask for a small individual contribution.	
	The group are bringing in external catering and will be providing raffle prizes for everyone.	
	The young persons event has proven more difficult to encourage attendance, however the group will persevere.	
	The organisation have time to fundraise further and therefor the recommended grant is less than has been requested.	

7 **If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?**

Although not stated in section 20, the group have later stated (section 23) that they will be providing additional items to top up both events, it is expected that this will come to total of £200.

8 **Does the project represent value for money?** Yes No

9 **If there are any revenue implications how will they be met in future years?**

No

10 **Cross boundary grant (if applicable) and division per committee (the calculation should identify the corresponding number of individuals within the respective Local Committee areas who will directly benefit from the grant award)**
