	The Club are very well known in the local area. As outlined in question 1, they not only promote the sport boxing but also encourage healthy lifestyle choices. In addition to this, the club also provides a focus for many young people who are disengaged and who, potentially, could become involved in youth crime and/or substance abuse.	

7	If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?
