MEMBERS' SERVICES AND CIVIC CEREMONIAL SUB-COMMITTEE OF THE POLICY AND RESOURCES COMMITTEE – 31 JANUARY 2002

APSE BUILDING SERVICES ANNUAL SEMINAR 5 - 8 FEBRUARY 2002, PEEBLES

Report by the Director of Homes and Technical Services

1. PURPOSE OF REPORT

- 1.1 To request that the Sub-Committee consider attendance at the Annual Conference of the Scottish APSE Building Services.

2. BACKGROUND

- 2.1 Scottish APSE has advised authorities that the annual conference of the institute will take place in Peebles Hydro on 5th to 8th February 2002. The theme of the conference is "Driving Towards Continuous Improvement" and the programme has been structured to include specialist sessions on a range of current issues in addition to keynote speakers.
- 2.2 In particular the conference aims to inform the public sector of the content and subsequent impact of the new Best Value and Community Planning legislation for Scotland which will be introduced to the Parliament early in 2002. It will also concentrate on matters such as Private Finance Initiatives and Scotland's largest proposed Housing Stock Transfer.
- 2.3 Accordingly the conference this year is considered to be particularly relevant to Officers and Elected Members who are involved in building services and will afford delegates the opportunity to examine the way ahead for DLO'S.
- 2.4 There are a range of APSE conferences held throughout the year but it has been the practice to restrict attendance to the two conferences which offer the maximum advantage to the Authority and the Building and Works Division. The APSE Building Services Annual Seminar is one of the two where representation is recommended.

3. FINANCIAL IMPLICATIONS

- 3.1 The delegate fee for this conference is £369.

4. RECOMMENDATIONS

- 4.1** It is considered that the conference would be of benefit to the Council and therefore request approval for an Elected Member to attend.
