Reason for recommendation	
The club have been fundraising and are using a great deal of their own funds to pay for the trip. Although the wider community will not benefit directly it is an excellent opportunity for 30 young people to experience playing in a competitive environment at a relatively low cost. The grant requested is recommended however only 19 out of the 30 players come from East Ayrshire therefor grant recommended has been reduced.	

7 If latest bank balance exceeds the cost of the project or is substantial, are these funds ring-fenced for the normal activities of the group or can they contribute to the cost of the project?

The Funds in the Group's Bank Account are to be used for running costs, for example; referees fees, pitch bookings, transport to and from matches etc.

8 Does the project represent value for money? Yes No

9 If there are any revenue implications how will they be met in future years?

N/A
