

NORTHERN AREA LOCAL COMMITTEE - 6 SEPTEMBER 2000

ISSUES RAISED DURING THE 15 MINUTE QUESTION AND ANSWER SESSION

<u>ISSUES RAISED</u>	<u>RESPONSE/ACTION REQUIRED</u>
Mr David Porter, Disability Forum Named Substitute commented to bring into the education cycle at Primary 5 level, the subject of improving the quality of our environment (litter etc) and stated it was rather late in the day and should be from the beginning of children's schooling.	Janie Allan, Principal Officer, Pre-Fives commented that this is an ongoing issue. In terms of the Pre-School service environmental awareness is brought in at the pre-school curriculum and several schools have active policies in relation to this issue.
